The backup hotel:

The history of the castle and manor house in Freiburg-Munzingen dates back to the thirty-year-war. It was used for agricultural purposes until the mid 70s of the last century. In the beginning of the 90s, it was completely restored and restructured and is used since as an exceptional castle hotel. It once again changed ownership in 2007, was remodeled and made what it is today – modern art combined with the historic buildings.

The Backup Hotel „**Schloss Reinach**“ is located 10 driving minutes from the Host Hotel „**Dorint An den Thermen**“. 30 rooms are reserved for the GE2021 participants.
